Certificate of course completion

This is to certify that **Ms. KRISHA BHARATBHAI KATHROTIYA** has completed course in basic computer coding in foundation(C language, C++, Java) with basic web technology from **01/01/2022** to **31/07/2022** in our organization.

During this period, She has provided study in theory subjects with practical training, has been examined for the certificate to pass with A grade.

We found her to be an active player and She was also regular and punctual in completing all the tasks assigned to her by his Course and Training Manager.

Wishing him all the best for all her future endeavors.
